Subject: Harbor Bridge in Corpus Christi - Preliminary Review of the DEIS Document

Importance: High

Good morning John,

TxDOT and FHWA are preparing to distribute the Harbor Bridge DEIS to our Cooperating Agencies for preliminary review on September 12th. We will begin putting together the paper and electronic copies on Monday and Tuesday next week. I wanted to take this opportunity to ask each of you for the following information so that everyone gets what they need.

1. How many copies of the DEIS do you need and in what format (paper or electronic)?
2. Who should be listed as the contact on the delivery?
3. To what address should the delivery be made?

The paper documents and electronic copies will be sent to the contact you designate overnight using a courier service (not the US postal service) so if courier deliveries are received at a specific address, please be sure to provide that information to us. I will be out of the office on September 6th, as will Chris Amy, so if you have any questions regarding the document distribution or delivery, please contact Debbie Taylor.

I thank you for your cooperation with us on this important project. Please let us know if you have any questions.

Sincerely,
Sonya Hernandez
